Deleted	Hand and Power Tools	27103-13	---		10				
Deleted	Introduction to Construction Drawings, Specifications, and Layout	27104-13	---		22.5				
				Total Hours	247.5	235			

Definitions:

Lock-Down Module: A module adopted “as-is” from another craft or an earlier edition of the same curriculum.

Equivalent Module: A module whose learning and performance outcomes match those of the newer editions and is therefore considered ‘equivalent’ in NCCER’s Registry.

Interim Credential: A module, or group of modules, whose learning and performance outcomes demonstrates competence of specific components in an occupational area and results in a unique credential in the Registry.
